I hereby pledge to provide positive support, care and encouragement for my child participating in the 901Volleyball Juniors Beach Volleyball Program by following the 901Volleyball Code of Ethics for Parents:

- I will encourage good sportsmanship by demonstrating positive support for all players, coaches and officials at every game, practice, etc.
- I will place the emotional and physical well-being of my child ahead of a personal desire to win.
- I will insist that my child play in a safe and healthy environment.
- I will require that my child's coach be trained in the responsibilities of being a 901Volleyball Beach Volleyball Coach and that the coach upholds the 901Volleyball Code of Ethics for Coaches.
- I will support coaches and officials working with my child, in order to encourage a positive and enjoyable experience for all.

901 Volleyball Juniors Beach Volleyball Program

ROOKIES

Beginner level players that have little to no experience playing beach volleyball. In this division we will be teaching fundamentals and creating a solid baseline skill level in each player.

JUNIORS

Players that have played beach or indoor volleyball before at school or the club level. In this division we will be reviewing fundamental volleyball skills and taking a deeper dive into beach volleyball strategies while focusing on getting players ready for 2v2 beach volleyball tournaments.

JUNIORS ELITE

Players that are comfortable in their beach volleyball skills and are ready to play at the elite level in 2v2 beach volleyball tournaments.

The Juniors Elite division is invitation only and determined by our staff

Our Season Model

- We believe in flexibility, so we've opted for a packages model.
- Season runs from April to August.
- Sessions will be held on Mondays and Thursdays.
- GroupMe will be used for parents/players to indicate their attendance.
 - *This is very important to insure we can design effective programming.*
