- 2.2. **Liability.** Players agree to assume the risk of and hold harmless, release, discharge, and/or otherwise indemnify 901Volleyball and its affiliated organizations, partners, owners of the fields and facilities utilized for the programs and activities, and sponsors, their employees, and associated personnel against any claim by or on behalf of the registrant, as a result of their participation in the programs and activities and/or being transported to or from the same.

- 2.4. **Refunds.** A player may request a full refund until the close of registration. No refunds will be available for players that are suspended from play.
- 2.5. **Prizes.** Prizes are subject to change due to the number of players/teams registered and sponsorship received.
- 2.6. **Game Start.** Players are recommended to play rock/paper/scissors or flipping a coin to determine game start for all games. The winning team can select to serve, a side, or to receive. The losing team can select from the remaining choices thereafter.

- 2.8. **Playoffs seeding.** See play schedule for details.

- 2.12. **Blocks/Touches.** Standard blocking/touching rules are required.
- 2.13. **Redirectional Blocks** are allowed. Redirectional blocks that feature the dropping back of the wrist will be deemed a catch (violation).
- 2.14. **Screening (Outdoors).** On an opponent's request, a player must move sideways, bend over, or squat down to prevent screening.
- 2.15. **Retrieving a ball from an opponent's side.** A ball completely crossing the net below the net or entirely outside the antennas may be recovered within the limits of the three team contacts.
- 2.16. **Setting Over (Outdoors).** If the ball is intentionally set into the opponent's court (attack), the player must contact the ball with two hands above his/her shoulders and set it cleanly over the net and square to the direction the player is setting, never to the side. Sets that are clean and intended for a teammate are allowed to go over the net and do not have to be square to the direction the player is setting.
- 2.17. **Breaks/Warm-ups.** Upon completion of a game or match, breaks/warm-ups cannot exceed 5 minutes.
- 2.18. **Delayed Start/Forfeit.** Any team that delays the start of a game beyond the 5-minute break/warm-up will be penalized 1-pt per minute not to exceed 10 minutes at which time, the team delaying the start of the game will be required to forfeit. This rule does not apply to a team that is delayed in starting a game because they are completing a previous game. Non-started forfeited games will be recorded as 21-0.
- 2.19. **Timeouts.** A team may call 1 time out per game (to include player injuries). Timeouts cannot exceed 60 seconds. In the event that a timeout (to include player injuries) extends past 60 seconds, the tardy team will be penalized 1 point per minute.
- 2.20. **Inclement Weather (Outdoors).** If inclement weather interrupts game play, play will resume upon playable weather. If light rain occurs, play will continue. If heavy rain occurs, play will be paused for player safety until playable weather ensues. If lightning strikes, play will be paused for 10 minutes for player safety. If lightning strikes during a game pause, the 10-minute clock will restart.
- 2.21. **Forfeit (Player Injury).** Forfeited games (due to player injury during play) will be scored as played unless the forfeiting team holds the lead at the time of forfeit. In this event, the "winning team" will be given a 1-point advantage on the recorded score.
- 2.22. **Forfeit (Player Absence).** Forfeited games (due to a player(s) being absent) will be scored as 21-0.

## 901 Volleyball Tournament Reminder & Rules

- 2.23. **No Show.** If a team does not attend ("no-shows") without informing 901Volleyball, the team's eligibility for future tournament play will be subject to review.
- 2.24. **Substitutions.** Substitutions may only be made for players in the serving position. Injured players may be replaced out of the serving rotation. Teams may either substitute all players equally or substitute players at the start or end of a match.
- 2.25. **Referee Schedule.** All teams will be required to referee games throughout the tournament.
- 2.26. **Faults.** Players are expected to call their own faults (lifts, carries, etc.). In the event of a double-fault, the point will be replayed.
- 2.27. **Double Hit** is a violation that occurs when a player uses two parts of their body on the 2nd or 3rd team contact or when the player makes 2 actions causing 2 hits on the 1st team contact. The ball may contact various parts of the body on the 1st team contact (serve or attack), provided that the contacts take place simultaneously.
- 2.28. **Open Hand Receiving (Outdoors).** Receiving a ball coming over the net with an open-handed dig or overhead open hand set is legal only when 1) in defensive action of a hard driven ball or 2) at the first hit of the team as so long as the contact comes out cleanly and the contacts occur during one action.
- 2.29. **Overhead Passing (Outdoors).** Overlapped hands is legal when the ball is not momentarily held or the player does not make double contact.
- 2.30. **Hand Setting.** Handsets must come off "cleanly." A double contact will be called if a player hits the ball twice in succession or the ball contacts various parts of their body.
- 2.31. **Attacking the Serve** is a violation that occurs when a team's first contact is above the net. If a player is standing at the net and raises their arms to make 1st contact after the serve but the contact is not above the net, then it is not attacking the serve.
- 2.32. **Throw** is a violation that occurs when the player attempts to strike the ball overhead but momentarily holds the ball. The ball should "pop." A spike that appears to look like a basketball "dunk" is a throw and a violation.
- 2.33. **Tipping (Outdoors)** is a violation that occurs when the player is attacking and using just fingertip action. When the fingertips are rigid (like the cobra technique) then the player is not called for a tipping violation. Players are recommended to use knuckles to avoid a tipping violation.
- 2.34. **Lift or Carry** is a violation that occurs when the player attempts to bump the ball underhand with the palm or open hand but momentarily holds the ball. The

ball should "pop." The player may make contact with an open hand as long as the ball is not momentarily held or "pops." Players are recommended to make a closed fist to avoid a lift or carry violation.

- 2.35. **Net Violations** occur when a player makes contact with any part of the net or structure (e.g. antennas or poles).
- 2.36. **Through or Under-The-Net** occur when a player crosses the plane through or under the net and interferes with the ability of the opponent to make a play on the ball. Players can fully enter opponent's court as long as it does not interfere with play. The blocker is not able to touch the net or the attacker if the blocker makes contact with the ball. If the attacker and blocker make simultaneous contact under the net (but on the plane), it is not a violation.
- 2.37. **Over-The-Net** occurs offensively and defensively. When a defensive player reaches over the plane in the opponent's space and makes contact with the ball before the attack hit, the defensive player will be called for an over-the-net violation. When there is an overpass on the 1st contact that is approaching the net, the blocker may penetrate and block the 2nd contact but not before the 2nd contact is made. All actions (whether it be the 2nd contact or 3rd contact) which direct the ball towards the opponent are considered as attack hits, so the 2nd contact could be considered an attack hit.
- 2.38. **Antennas** if touched by the ball or when the ball crosses over the point or outside of where the antenna is fixed to the net will be deemed out of play.
- 2.39. **Reporting Scores.** At the conclusion of each match, please ensure your score is correctly submitted.
- 2.40. **Final Authority.** The Tournament Manager and Tournament Lead(s) have the final authority to resolve any disputes, make any rulings, interpret rules as they see fit.
